

§ 740.17

State after the release is concurred in by OSM.

[48 FR 6935, Feb. 16, 1983; 48 FR 13985, Apr. 1, 1983, as amended at 48 FR 44779, Sept. 30, 1983; 55 FR 9402, Mar. 13, 1990]

§ 740.17 Inspection, enforcement and civil penalties.

(a) *General requirements.* (1) Where OSM is the regulatory authority, parts 840, 842, 843 and 845 of this chapter shall govern its inspection, enforcement and civil penalty activities with respect to surface coal mining and reclamation operations on Federal lands.

(2) Where the State is the regulatory authority under a cooperative agreement, the State program shall govern inspection, enforcement and civil penalty activities by the regulatory authority with respect to surface coal mining and reclamation operations on Federal lands, while the requirements of part 842, 843 and 845 of this chapter shall govern OSM inspection, enforcement and civil penalty activities conducted in oversight of the State program.

(3) The requirements of this section shall not apply to coal exploration on Federal lands subject to the requirements of 43 CFR parts 3400.

(b) *Right of entry.* (1) Persons engaging in coal exploration or surface coal mining and reclamation operations on Federal lands shall provide access for any authorized officer of OSM, the regulatory authority, and, as applicable, the Bureau of Land Management or the appropriate Federal land management agency to inspect the operations, without advance notice or a search warrant and upon presentation of appropriate credentials, to determine whether the operations are in compliance with all applicable laws, regulations, notices and orders, and terms and conditions of the permit.

(2) Any authorized representative of the regulatory authority and, as applicable, the Bureau of Land Management may, at reasonable times and without delay, have access to and copy any records and inspect any monitoring equipment or method of operation required under the Act, this subchapter and the permit, lease, license or mining plan in accordance with paragraph (a) of this section.

30 CFR Ch. VII (7-1-00 Edition)

(3) No search warrant shall be required with respect to any activity under paragraph (a) or (b) of this section, except entry into a building without consent of the person in control of the building.

(c) *Inspections.* Inspections shall, to the extent practical, be conducted jointly if more than one government agency is involved. The regulatory authority shall coordinate inspections by Federal agencies and may request the participation of representatives from other Federal agencies when necessary to ensure compliance with this subchapter and other applicable Federal laws, regulations and orders.

§ 740.19 Performance standards.

(a) *Operations and reclamation.* (1) Surface coal mining and reclamation operations on lands subject to this part shall be conducted in accordance with the performance standards of the applicable regulatory program.

(2) Surface coal mining and reclamation operations on lands containing leased Federal coal shall be conducted in accordance with the requirements of the terms, conditions and stipulations of the lease issued under the Mineral Leasing Act and its implementing regulations in 43 CFR parts 3400, as applicable, and the mining plan.

(b) *Completion of operations and abandonment.* (1) Upon completion of operations, bonds shall be released in accordance with § 740.15(d) of this chapter.

(2) Where there is a Federal lease bond:

(i) Not less than 30 days prior to permanent cessation or abandonment of surface coal mining and reclamation operations, the person conducting those operations shall submit to OSM, in duplicate, a notice of intention to cease or abandon those operations, with a statement of the number of acres affected by the operations, the extent and kind of reclamation accomplished and the structures and other facilities that are to be removed from or remain on the permit area.

(ii) Upon receipt of this notice, the Bureau of Land Management and the appropriate Federal land management

agency shall promptly make joint inspections to determine whether all operations have been completed in accordance with the requirements of 43 CFR parts 3400, the lease or licenses and the mining plan. Where all of these requirements have been complied with, the liability under the lease bond of the person conducting surface coal mining and reclamation operations shall be terminated.

(3) Where OSM is the regulatory authority, public hearings held with respect to final abandonment and releases of the performance bonds shall be in accordance with 5 U.S.C. 554 and 43 CFR part 4.

AUTHORITY: 30 U.S.C. 1201 *et seq.* and 30 U.S.C. 181 *et seq.*

SOURCE: 48 FR 6939, Feb. 16, 1983, unless otherwise noted.

§ 745.1 Scope.

This part sets forth requirements for the development, approval and administration of cooperative agreements under section 523(c) of the Act.

§ 745.10 Information collection.

(a) In accordance with 44 U.S.C. 3501 *et seq.*, the Office of Management and Budget (OMB) has approved the information collection requirements of this part. The OMB clearance number is 1029-0092. This information is needed to implement section 523(c) of the Act, which allows States to regulate surface coal mining operations on Federal lands under certain conditions. States that desire to enter into cooperative agreements to do so must respond to obtain a benefit.

(b) OSM estimates that the public reporting burden for this part will aver-

age 1,364 hours per respondent, including time spent reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. Send comments regarding this burden estimate or any other aspect of these information collection requirements, including suggestions for reducing the burden, to the Office of Surface Mining Reclamation and Enforcement, Information Collection Clearance Officer, 1951 Constitution Avenue, N.W., Washington, DC 20240; and the Office of Management and Budget, Office of Information and Regulatory Affairs, Attention: Interior Desk Officer, 725 17th Street, N.W., Washington, DC 20503. Please refer to OMB Control Number 1029-0092 in any correspondence.

[64 FR 70831, Dec. 17, 1999]

§ 745.11 Application and agreement.

(a) The Governor of any State may request that the Secretary enter into a cooperative agreement with the State, provided the State has an approved State regulatory program or has submitted a regulatory program for approval under part 731 of this chapter, and has or may have within the State surface coal mining and reclamation operations on Federal lands.

(b) A request for a cooperative agreement shall be submitted in writing and, except to the extent previously submitted in the State program, shall include the following information:

(1) Information sufficient for OSM to make findings in accordance with paragraph (f) of this section;

(2) A proposed agreement consistent with the requirements of this part; and

(3) A certification by the Attorney General or the chief legal officer of the State regulatory authority that no State statutory, regulatory or legal constraint exists which would preclude the State regulatory authority from fully carrying out the proposed cooperative agreement.

(c) OSM shall publish a notice of the request and the full text of the terms of the proposed cooperative agreement as submitted or as subsequently modified by OSM and the State in the FEDERAL REGISTER as a proposed rule. A notice of the request and a summary of
